PROFESSIONAL SUMMARY

Sales professional with 6+ months of active real estate sales experience managing high-value leads, client conversations, and deal pipelines. Holds a BBA in Financial Technology (Hons) from Christ University, providing a foundational understanding of financial products and business operations. Looking to transition into a B2B sales role at a FinTech or financial services company, where client-facing skills from real estate lead handling, follow-up discipline, and consultative conversations are directly applicable. Early in my career, eager to learn the B2B sales process hands-on.

SKILLS

Client Relationship Management | Lead Follow-Up & Pipeline Tracking | Consultative Conversations | Objection Handling | Sales Reporting & MIS | MS Excel | Basic Financial Literacy | Government Procurement (GeM/eTender)

PROFESSIONAL EXPERIENCE

Sales Executive • Oro Group, Lucknow, UP *Dec 2025 – Present*

- Generated ₹3 Cr+ in residential real estate revenue within 6 months, closing high-value deals in the ₹50L–₹1.5Cr ticket range through consistent lead engagement and follow-up.
- Handle inbound and self-generated leads; qualify prospects, schedule site visits, and maintain a structured follow-up cadence across 20–30 active leads simultaneously.
- Conduct face-to-face client meetings to understand requirements, explain product features and pricing, and handle objections, managing conversations with buyers making significant financial decisions.
- Coordinate with documentation and operations teams to move deals from verbal commitment to booking and closure.

Sales Trainee • Amrawati Residency Pvt. Ltd., Lucknow, UP *Sep – Nov 2025*

- Assisted the sales team with lead follow-ups, client database management, and coordination of site visits and meetings.
- Prepared basic sales reports and proposals; supported senior executives during client interactions and negotiations.
- Conducted local market research to understand competitor pricing and project positioning.

Corporate Finance Intern • Green Gas Limited, Lucknow, UP *May – Aug 2024*

- Supported financial data compilation and reporting tasks within the corporate finance team in a regulated sector environment.
- Gained working exposure to financial statements, budgeting processes, and internal business operations.

Bid Support – Government Procurement • S.R. Associates (Family Business), Lucknow, UP *Ongoing*

- Assist with tender identification, document preparation, and bid submission on GeM and state eTender portals for civil contracting projects.
- Exposure to compliance requirements, EMD arrangements, and coordination with CAs useful context for regulated B2B sales environments.
