ABOUT ME

I am a recent postgraduate with a Master of Computer Applications (MCA) degree, following my Bachelor's in Computer Applications (BCA). With a strong academic foundation in computer science and hands-on experience in programming, I am skilled in various programming languages such as [Java,javascript,html,css,mysql etc.]. I am passionate about software development, problem-solving, and continuously learning new technologies. I am now seeking opportunities to apply my skills and contribute to innovative projects in the tech industry.

EDUCATION

2020 - 2023
Kanpur University
Bachlor's of computer application

2023-2025
AKTU
Master's of computer Application

INTERNSHIP

2022
Analyze infotech
Java developer
