RAPAKA SYAMALA

+91-8978201363 rapakasyamala04@gmail.com linkedin.com/in/syamala-rapaka-2ab4b8252

Summary

Strong foundation in software development, object-oriented programming, data structures, and database management. Proficient in Java, Python, MySQL, and full-stack web development with hands-on project experience. Strong problem-solving skills with the ability to contribute to building reliable software solutions.

Skills

Programming Languages: Core Java, Python, C, JavaScript
Database: MySQL
Web Technologies: HTML5, CSS3
Core Concepts: OOPS, DBMS, DSA
Tools: Git, GitHub, Selenium

Professional Experience

Virtusa Consulting Services Pvt. Ltd. **June 2025 – Present**
Associate KPO Analyst

- Reviewed and validated AI-generated financial documents using **AWS SageMaker** to ensure accurate data extraction and compliance with client requirements.
- Verified account numbers, debit/credit transactions, check details, and other financial information by comparing AI-generated data with original documents.
- Used **Microsoft Excel** for data validation, reconciliation, and reporting while following Standard Operating Procedures (SOPs) and Service Level Agreements (SLAs).
- Worked with cross-functional teams to resolve data discrepancies and support AI-assisted document processing with high accuracy.
- **Environment:** AWS SageMaker, Microsoft Excel, Data Validation, Quality Assurance (QA), AI-Assisted Document Processing, BFSI.

Projects

Animal Detection and Accident Prevention System | *Python, Machine Learning*

- Developed a deep learning-based system to detect animals on roads using image processing techniques.
- Implemented real-time distance estimation and automated alert generation to reduce the risk of road accidents.
- Applied machine learning models to improve detection accuracy under different environmental conditions.

Restaurant Management Web Application | *HTML, CSS, JavaScript, Node.js, JDBC, MySQL*

- Developed a full-stack web application for restaurant management with secure user authentication.
- Implemented features including registration, login, menu browsing, order placement, and customer feedback.
- Designed responsive front-end interfaces and integrated backend services with MySQL database using JDBC.

Certifications

- **Data Science using Python and AWS** – BrainOvision & Lakireddy Bali Reddy College of Engineering

Achievements

- Achieved the **Smart Coder Bronze Certification (2024)** with a Global Rank of **6469** among **35,872** participants on Smart Interviews.
- Secured **3rd Place** in the AWS BrainOvision College-Level Hackathon.

Education

Lakireddy Bali Reddy College of Engineering **2021 – 2025**
Bachelor of Technology (B.Tech) *CGPA: 8.67/10*
