EXPERIENCE

Graphic Designer | **Celestial IT Verse Pvt. Ltd. (Tap For Tech)** Feb 2024 – Present

- Delivered comprehensive visual solutions for a diverse client base, supporting both digital and print branding initiatives.
- Designed engaging social media content — posts, Instagram Stories, grids, Google Ads, Google My Business creatives, blog graphics, and WhatsApp marketing visuals — to strengthen brand communication and audience engagement.
- Developed high-quality print and promotional materials, including packaging designs, print templates, result cards, visiting cards, standees, coffee mugs, mug menus, and logo designs, ensuring consistency across all touchpoints.
- Conceptualized and executed complete brand identity systems, covering logo design, typography, colour palettes, and overall visual direction.

Graphic Designer | **EnTrendz Production Pvt. Ltd.** Oct 2023 – Jan 2024

- Created compelling, high-quality social media assets, including Instagram Stories, grids, and Google Ads.
- Boosted audience engagement and enhanced overall brand visibility through cohesive, impactful visual design.

Graphic Design Intern | **Technic Infotech** Jul 2023 – Sep 2023

- Designed high-impact, visually engaging social media content for Instagram, Facebook, LinkedIn, and Twitter (X).
- Strengthened brand presence and improved audience engagement while ensuring consistent visual identity across platforms.

PROJECTS

Zaffron Spices Packaging Design

- Designed premium, luxury-inspired packaging for Zaffron Spices, Zaffron Pickles, and Zaffron Papadum, capturing the brand's bold and tangy flavour profile and enhancing shelf presence and customer attraction.

Glowma — Cosmetic Packaging

- Designed premium packaging for Glowma cosmetic powder pouches, creating a luxurious aesthetic reflecting skincare expertise and brand sophistication.
- Integrated core branding elements — logo, colour palette, and typography — to maintain consistent visual communication.
- Ensured full compliance with cosmetic packaging regulations and industry standards.

Pinak Adventure Park

- Designed custom wristbands across multiple visitor categories (Kids Zone, Corporate, and Full Park Access), ensuring clear visual differentiation and brand consistency.
- Created engaging social media creatives and Meta ad visuals to promote park experiences and increase visitor engagement across digital platforms.
- Developed website homepage banners and theme graphics optimized for both desktop and mobile screens to enhance user experience.

EDUCATION

Maya Academy of Advanced Creativity (MAAC) — Diploma in Professional Graphic Design 2024
