MOHD YASIR

mdyasir.khan134@gmail.com | +91 6392287437 | linkedin.com/in/mohd-yasir-72aa95272

PROFESSIONAL SUMMARY

FinTech postgraduate (PGDM – Finance & Technology) with hands on experience across e-commerce operations, credit and project finance advisory, and campus placement coordination. Skilled at analyzing business and financial data, preparing structured documentation, and coordinating across stakeholders recruiters, clients, senior professionals, and student teams to keep multi party processes on track. Combines an analytical, detail driven finance foundation with growing exposure to technology enabled business decision making, seeking to apply this at the intersection of execution, data, and delivery as an Associate Project Manager.

EDUCATION

Qualification	Institute / Board	Year	CGPA / %
PGDM – FinTech (Finance & Technology)	Delhi School of Business (VIPS-TC)	2025–2027	Pursuing
Bachelor of Commerce (Hons)	University of Lucknow	2021–2024	63.52%
Class XII (Commerce)	Lucknow Public Collegiate — ISC Board	2021	75.80%
Class X	Lucknow Public Collegiate — ICSE Board	2019	80%

PROFESSIONAL EXPERIENCE

Account Manager | Flipkart — E-Commerce & Marketplace Operations Dec 2024 – May 2025

- Analyzed marketplace revenue trends and seller performance data to identify growth opportunities, execution gaps, and areas for operational improvement.
- Coordinated with sellers and internal stakeholders on listings, advertising strategy, and inventory planning, translating data-driven insights on consumer behaviour into actionable business decisions.
- Managed a portfolio of seller accounts end-to-end tracking performance, resolving operational issues, and supporting consistent, on time execution of business objectives.

Finance & Advisory Intern | Chartered Accountancy Firm And Venture Capital May 2026 – Jul 2026

- Prepared and validated structured, bank facing documentation (financial statements per Schedule III, Detailed Project Reports, Credit Appraisal Notes, CMA data) under firm deadlines, coordinating inputs across clients and senior professionals.
- Built financial projections, loan repayment schedules, and cash flow analyses, and evaluated working capital, ratio, and debt-equity data to support accurate, evidence based lending decisions.
- Conducted a physical stock verification audit for a retail client, performing inventory reconciliation and variance analysis exercising the same accuracy and quality control discipline needed to validate delivery data.
- Collaborated with senior finance professionals on live advisory assignments, managing multiple deliverables in parallel and contributing analytical inputs to client facing documentation.

Accountant | Freelancing

- Managed financial reporting, bookkeeping, and reconciliation for multiple small business clients, delivering cash-flow insights that supported client decision making and profitability.

Content Writer & Novelist | Freelancing

- Authored two published novels and produced SEO optimized financial and business content, blogs, and articles, conducting business research to inform published work and support digital marketing campaigns for hospitality clients.

LEADERSHIP & PROJECT COORDINATION

Placement Coordinator | PGDM – FinTech, Delhi School of Business (VIPS-TC) 2026 – Present

- Coordinate placement related communication between the institute, recruiters, and students, acting as the central point of contact across the batch's placement process a stakeholder coordination role directly analogous to PMO/delivery support execution.
- Liaise with visiting companies and faculty to plan and execute recruitment drives, including interview scheduling and candidate coordination across multiple concurrent timelines.

- Maintain placement related documentation and communication trackers to ensure accuracy and smooth coordination between students and recruiters.
- Support batch wide placement preparation, sharing timely updates and coordinating logistics for corporate interactions balancing multiple stakeholders under fixed deadlines.

Secretariat — Delegate Affairs |Model United Nations (MUN) | During Graduation

- Managed delegate affairs for the conference, coordinating registrations, communication, and logistics for participating delegates across committees.
- Served as a point of contact between delegates and the organizing team, resolving queries and ensuring smooth on ground coordination throughout the event.
- Worked alongside cross functional organizing teams (logistics, delegate affairs, secretariat) to execute a multi day event on schedule.

Coordinator / Secretary | Finance Club, University of Lucknow | During Graduation

- Coordinated club activities and member communication, helping plan and execute finance focused sessions, discussions, and events for the student body.
- Supported organization of club events end-to-end planning, scheduling, and on ground execution in collaboration with fellow club members and faculty coordinators.

KEY ANALYTICAL & ADVISORY ENGAGEMENTS

- Credit Appraisal & Banking Documentation — Prepared structured documentation supporting Working Capital, Term Loan, and Project Finance proposals.
- Financial Modelling & CMA Analysis — Built financial projections, cash flow forecasts, loan repayment schedules, CMA data, and ratio analysis to support decision making.
- Financial Statement & Net Worth Analysis — Analyzed Schedule III financial statements and prepared net worth statements for bank appraisal.
- Investment & Capital Gain Analytics — Performed investment reconciliation and capital gain analysis across equity and mutual fund transactions.
- Business Strategy & Financial Research — Evaluate business and financial factors while writing finance and business articles for CA firms and online publications.
