PROFESSIONAL SUMMARY

Customer Service and Operations professional with experience in merchant support, customer support escalations, POS and QR payment issues, payment gateway complaints, and KYC/document verification. Familiar with reviewing merchant onboarding documents, checking information for completeness and accuracy, recording cases in CRM/ticketing systems, and coordinating with internal teams to resolve payment and service issues. Comfortable handling priority escalations, following up on pending cases, and working toward SLA and turnaround-time targets.

CORE SKILLS

Customer & Merchant Support	Customer queries, complaint handling, escalations management
Payments	POS terminals, QR transactions, payment gateway issues, failed/stuck transactions
KYC & Documentation	Merchant onboarding documents, document verification, completeness checks, record accuracy
Operations	Ticket lifecycle management, SLA/TAT follow-up, settlement and payout queries, case documentation
Tools & Communication	CRM/support portals, Microsoft Excel, MS Office, email and ticketing tools; English and Hindi

PROFESSIONAL EXPERIENCE

Team Leader – Customer Service & Escalations

KlimbNow, Noida | 2024 – September 2026

- Led a support team handling day-to-day customer queries and escalated merchant cases.
- Tracked issues involving payment failures, QR transactions, gateway errors and merchant portal access, coordinating with internal teams for resolution.
- Monitored pending tickets, SLA timelines and turnaround times; shared progress updates on priority cases.
- Prepared daily and weekly reports on ticket volumes, resolution rates and service quality, and supported team coaching.

Senior Executive – Merchant Service & Payment Escalations

RapiPay Fintech Pvt. Ltd., Noida | 2023 – 2024

- Supported merchants with POS machine issues, QR payment failures, payment gateway errors and transaction-related queries.
- Followed up with banking partners and internal finance teams on stuck transactions, payout delays and settlement discrepancies.
- Handled high-priority escalations, maintained clear case notes and provided timely updates to merchants.
- Supported KYC/documentation checks for merchant onboarding by reviewing submitted documents for completeness and following up on missing information.

Executive – Merchant Support & Onboarding

Mumbai | 2018 – 2023

- Assisted with merchant onboarding documentation and post-onboarding setup and configuration support.
- Checked merchant documents and related details for completeness and accuracy, and flagged missing or inconsistent information for follow-up.
- Resolved queries about payouts, transaction settlements, QR/POS usage and payment processing charges.
- Logged complaints through email, CRM and ticketing tools, and coordinated with technical and settlement teams to close open cases.

EDUCATION

Bachelor of Arts (BA) — Rajasthan University, 2023
