

Rajendra Prasade

Regional Sales Manager – Pan India

rprasade@yahoo.com | +91-9820143410 | 4/26, Sachin Society, Mithagar Road, Mulund East

Sales and Marketing professional with over two decades of experience across enterprise technology and financial services, with a strong focus on SAP and ERP-led solutions in recent years. Expertise includes lead generation, lead nurturing, building strong pipelines, and driving successful conversions in line with forecasted timelines. I have worked across diverse sales environments, gaining a clear understanding of enterprise buying behaviour, lead generation approaches, and key drivers of successful conversions. Developing new business and exp anding existing accounts has been a key strength, supported by strong influencing skills. Active involvement across the entire order-to-delivery cycle contributes to improved customer satisfaction, supporting client retention and the acquisition of new business.

Key Skills

- Enterprise Sales (SAP / ERP Solutions)
